Current Products Available for Purchase

Standards, Operations, Policy and Procedures Manual (SOPP) \$395.00

Over 400 policies in 16 Chapters every police agency should have and needs. Available in Microsoft Word 2003-7. Replace key search terms with information specific to the agency. Saves agencies hundreds of hours in development or bringing current manuals up-to-date. Call and ask for an index.

Standards of Conduct Manual \$99.00

Reduces and replaces dozens of traditional rules of conduct to just 10 essential standards. Simplifies enforcement and reduces potential for enforcement error. Available in Microsoft Word 2003-7. Replace key search terms with information specific to the agency.

Note: These standards are incorporated into the SOPP manual, above.

Job Descriptions Package \$49.00

Managerial authority begins with employees' job descriptions. These comprehensive descriptions range from the CEO to the officer on the street. Available in Microsoft Word 2003-7. Replace key search terms with information specific to the agency.

Note: These descriptions are incorporated into the SOPP manual, above.

E-Precinct Management Rights and Resource Center \$145.00 yearly subscription per department.

Additional concurrent use subscriptions \$10.00 each per department. Regular updates on current issues, court and arbiter decisions affecting management rights, and articles of specific interest to law enforcement supervisors and managers, model policies and forms. Keep informed all year long.
