

Internal Investigations Function

(Performance Directed Management-a VMA-Honors class)

Hosted by

Roeland Park Police Department

Held at the Roeland Park Community Center, 4850 Rosewood Dr, Roeland Park, KS 66205

from **8am to 4pm on February 17, 2022**

Internal investigations are essential to the efficient operation of any public safety forces agency. Investigations of this nature are crucial to our democratic system of checks and balances. The lack of clear understanding of the due process principles that govern the investigation, failing to conduct investigations properly, and not having well documented cases are the major reasons why investigators fail, cases are lost, and agencies are sued and discredited.

Command and supervisory personnel from the following agencies should attend:

All public safety forces divisions

Attendees are taught:

- The essential principles of Constitutional Due Process in an Investigation
- Review of three leading U.S. Constitutional cases affecting due process in internal investigations: *Garrity v. State of New Jersey*, 385 U.S. 493 (1967), *Gardner v. Broderick v. Police commissioner of New York City* 392 U.S.273 (1968), *Kastinger v. United States*, 406 U.S. 441 (1972)
- Employee Representation (*National Labor Relations Board v. Weingarten Inc.*, 420 U.S.251 (1975))
- Avoiding civil torts and liabilities
“Manage performance not performers”
- Practical approaches to I.A. investigations
- How to document the I.A. case

Students receive class outline, model forms, rules, and certificate of attendance. (Class size is limited, please register early)

Associate/ John Hall John's experience in law enforcement has been filled with professionalism and strong leadership skills. He has managed Patrol Operations and was adept at bringing critical incidents to a successful resolution. John has served as a Certified Police Instructor assigned to a police academy for recruitment training in Arrest, Search and Seizure. John has been recognized throughout his career for initiating, building and supporting departmental initiatives including the creation of a Special Operations Unit & Physical Fitness Evaluations. He received the honor of being "Officer of the Year in 2007." John was part of the US Customs task force responsible for the investigation of importation of narcotics in the US. He also investigated the influence of organized crime in NY and NJ as it relates to criminal offenses, corruption, and unfair labor practices. John also has a B.A. in Criminal Justice from Kean College, New Jersey.
