Miami County Sheriff's Office

Held at the Miami County Sheriff's Office Training Center, 2050 North C.R. 25A, Troy, Ohio 45373

April 5, 2023 from 9am-3pm

Performance Improvement Programs are well accepted by courts, arbiters, civil review boards and employees as a non-punitive means for dealing with employee performance deficiencies. They reduce the burden on management by placing the responsibility squarely on the employee's shoulders for improvement, reduces the basis for grievances because they are non-punitive methods for correcting deficient performance, and they provide a valid offense against claims of illegal discrimination.

Command and supervisory personnel from the following agencies are encouraged to attend:

Law Enforcement, Fire Services, 911 Emergency Communications, Corrections

Attendees are taught:

- **The three causes for performance failure**
- **The standard for determining when performance needs improvement**
- **The advantages of Performance Improvement Plans over punitive action**
- **How to develop a Performance Improvement Plan**
- **What it takes to enforce an improvement plan**

Students receive class outline, model forms, rules, and certificate of attendance. (Class size is limited, please register early.)
