Live In Person Online Training

Performance Improvement Interventions (PII's)...in a Nutshell
Sworn to Honor Management
1:00pm-4:00 p.m. EST January 22, 2025 EST

This course teaches the **proper development and use** of Performance Improvement Plans that **hold the employee self-responsible and self-accountable for improving performance.**

Attendees will learn how to:

- Identify the three causes of performance failure and how to communicate them to your employees.
 - Set clear and realistic expectations for performance improvement and how to measure them.
- Create and implement Performance Improvement Plans that are SMART (Specific, Measurable, Achievable, Relevant, and Time-bound).
- Monitor and evaluate the progress of your employees and how to enforce the improvement plan if needed.

“Manage Performance not Performers”

Your agency will:

- **Save time, money, and trouble compared to disciplinary actions that can be costly, time-consuming, and contentious.**
- **Save the need to travel or incur additional costs. You will also be able to stay close and available to your organization in case of emergencies.**
- **Receive a complete set of model forms in Microsoft Word that can be adapted for agency use.**
